## Message from the President

Dr. Richard Gallot

Grambling State University

Campus safety is one of the top priorities at Grambling State University. We are firmly committed to maintaining a safe and secure environment for our students, faculty, staff, alumni, and visitors. We recognize that crime prevention is a shared responsibility that involves all members of the university community, and that a truly safe campus can only be achieved with everyone's cooperation.

To that end, the university has developed programs and formed partnerships within the university community to foster a greater sense of campus safety and security while providing the highest level of service. This report offers a guide that strengthens and fosters a safe campus.

## LEGAL REQUIREMENTS OF THE CAMPUS SAFETY ACT

The Campus Security Act requires colleges and universities to:

- Publish an annual report every year by October 1<sup>st</sup> that contains three years of campus crime statistics and certain campus security policy statements,
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other university officials who have “significant” responsibility for student and campus activities.,
- Provide “timely warning” notices of those crimes that have occurred and pose an ongoing “threat to students and employees,” and
- Disclose in a public crime log “any crime that occurred on campus or within the patrol jurisdiction of the campus police or security department, and is reported to the campus police or security department,” and,
- Publish an Annual Fire Safety Report and,
- Disclose fire statistics for residential housing facilities, and
- Report Hate Crimes

**The Grambling State University Police Department is responsible for preparing and distributing this report. We encourage members of the Grambling State University community to use this report for safe practices on and off campus. Paper copies of this report may be obtained from the GSU Police Department located at 531 RWE Jones Drive or by calling 318-274-2222**

## THE GRAMBLING STATE UNIVERSITY POLICE DEPARTMENT

The Grambling State University Police Department is located at 531 RWE Jones Drive, Grambling, LA 71245. The department operates 24 hours a day and employs 20 commissioned police officers along with several non-sworn staff members including communications officers, and administrative staff members. Police officers must successfully complete a basic training academy at an approved police academy. The training curriculum is mandated by the Louisiana Peace Officers Standards and Training Commission and includes such topics as criminal law and procedures, patrol and investigation practices and techniques, firearms, first aid and physical training. An array of in-service training programs is provided to update and enhance the professional skills of the officers.

University Police Offices are vested with all the powers, authority and responsibility of any police officer on property owned by the University, including adjacent public streets. Police authority is derived from Section 17:805 of the Louisiana Revised Statutes. While there are no formal written agreements with other law enforcement agencies, the Grambling State University Police Department cooperates fully with federal, state, and local law enforcement agencies in cases which involve both on-campus and off-campus jurisdiction or when the resources of another agency can be used to facilitate the resolution of an investigation.

The Grambling State University Police Department is responsible for the security, safety and emergency services for the university community. GSUPD works in cooperation with other departments to enhance the safety and security of the campus. All police officers are full-time, commissioned University Police Officers receiving their authority from Louisiana Revised Statute 17:805.

## How to Report Criminal Offenses

To report a crime, contact the University Police at (318) 274-2222 or by using one of the 18 emergency telephones located across the campus near residence halls, academic buildings, and parking lots. The telephones connect directly to the Police Department, and the location is identified to the communications officer on duty. Any suspicious activity or persons seen in parking lots or loitering around vehicles, inside buildings, or around the residence halls should be reported to the Police Department. Report tips anonymously through the GSU Police website [Silent Witness section](http://www.gram.edu/police) at [www.gram.edu/police](http://www.gram.edu/police).

Members of the Grambling State University community are encouraged to report all crime and public safety related incidents to the GSU Police Department in a timely manner. The GSU Police Department patrols and has jurisdictional authority for the entire GSU campus. Communication officers are available at (318) 274-2222 twenty-four hours a day to answer your call. The GSU PD Communications will take the required actions, dispatching an officer or to ask a visitor to report to GSU PD to file an incident report. The GSU PD Investigator will investigate a report when it is deemed appropriate. The GSU Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public under state law, the GSU Police Department cannot hold reports of crime in confidence. Confidential reports for inclusion in the annual disclosure of crime statistics can be made to the GSU Hotline. The GSU Hotline Number is (318) 274-3144.

### Reporting to Other Campus Security Authorities

While the University prefers that community members promptly report all crimes and other emergencies directly to the University Police at 318-274-2222, we also recognize that some may prefer to report to other individuals or University offices. The Clery Act recognizes certain University officials and offices as “Campus Security Authorities (CSA).” The Act defines these individuals as “an official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.” Although encouraged to report all crimes, CSAs are only required to report what they were told, not overhear.

While the University has many CSAs, we officially designate the following offices as places where campus community members should report crimes:

Vice President of Student Affairs	2 <sup>nd</sup> Floor- Grambling Hall (318) 274-6120
Director, Office of Student Conduct	Student Conduct Building (318) 274- 3169
Director, Campus Living and Housing	Room 210 Grambling Hall (318) 274- 2504
Director, Human Resources	Room 148- Long Jones Hall (318) 274-2237
Director, Athletics	Hobdy Assembly Center 318-274-2374

For Off campus crimes committed in the city of Grambling, call Grambling City Police at (318) 247-3771. Note: If you dial 911, you will be connected with the Lincoln Parish Sheriff’s Office then transferred to Grambling City Police.

### **Use of University Facilities**

Except for events that are open to the public and advertised as such, the Universities facilities and programs are generally reserved for accomplishing the objectives and programs of the University. Visitors and non-University affiliated groups seeking to utilize University facilities are expected to make prior arrangements with the appropriate University office. Authorization to use the Grambling State University facilities is determined by Grambling State University regulations then in effect. Visitors and guests to Grambling State University residence halls must receive proper approval through the Office of Campus Living and Housing while in the residence halls.

### **Residence Halls**

Residence halls are equipped with fire safety equipment that includes smoke detectors and/or heat sensors that activate the central fire alarm system and most have automatic fire sprinkler systems. In the residence halls, emergency exits are equipped with alarms that sound whenever opened. Residence hall staffs are trained to maintain security and to summon police, fire, medical, and maintenance assistance when needed. Criminal activity observed within or in the vicinity of buildings is reported to the GSU Police Department. Firearms, explosives, fireworks,

or other hazardous materials are not permitted in or around residence halls or University apartments.

### **Academic and Administrative Buildings**

Academic and administrative buildings are secured by University Police Department personnel. Hours of security may vary from building to building, depending on use. Like the residence halls, these buildings are equipped with fire safety equipment that includes smoke detectors and/or heat sensors that activate the central fire alarm system.

### **Weapons Policy**

GSU is a firearm-free zone. The use of weapons by university police personnel is governed by state law and departmental regulation. GSU enforces all provisions of the state Criminal Code including those prohibiting possession of firearms within a firearms free zone as provided at R.S.14:95.2. As it relates to universities, R.S. 14:95.2 prohibits the carrying of a firearm by a student or non-student on university property and is defined as the intentional possession of any firearm on one's person, on a university campus, within 1,000 feet of a university campus, or on a school bus. The penalty upon conviction is imprisonment at hard labor for not more than five years.

### **Sale or Use of Illegal Drugs**

GSU complies with all federal and state laws which prohibit the use, possession and sale of illegal drugs. The University is a drug-free zone under Louisiana law and will not shield any student, employee or visitor from action by civil authorities.

### **Sales or Use of Alcoholic Beverages**

GSU complies with all federal and state laws which regulate the sale and use of alcohol. The University neither condones nor shields from prosecution any individual found in violation of the Louisiana Alcoholic Beverage Control laws. The University does authorize alcoholic beverages on campus for sanctioned events complying with state law.

## **TIMELY WARNINGS**

It is the goal of the Grambling State University Police Department and the University to keep the campus community informed of serious incidents. Working in conjunction with other University departments, the GSU Police Department will issue a Safety Bulletin in a timely manner to the campus community about crimes in and around the campus. When the GSU Police Department receives information that a violent crime against a person or a serious threat to property has occurred or is imminent, a Safety Bulletin will be sent out via email. A Crime Alert will also be posted to the Grambling State University web site. The Safety Bulletin and Crime Alert will contain the following information:

- \* Type of incident
- \* Time of the incident
- \*Location of the incident
- \* Description of the suspect(s)
- \* Summary of the incident

If a crime or serious incident is reported to a non-police campus administrator, that administrator should notify GSU Police Department of the incident. Working with the reporting administrator and other campus officials, the Police Department will decide whether to or not to issue a Safety Bulletin and/or Crime Alert.

## **EMERGENCY RESPONSE**

The Grambling State University community is encouraged to notify GSUPD of any situation or incident on campus that may involve a significant emergency or dangerous situation that poses an immediate or ongoing threat to the health and safety of university members. GSUPD is charged with responding to reported incidents to determine whether the incident, in fact, presents a threat to the community and with requesting other resources necessary to investigate, mitigate, or document the situation.

Determine if the situation poses an immediate threat to the health or safety of some or all members of the GSU community. GSUPD will coordinate with the GSU Office of Media Relations to determine the content of the emergency message and will utilize some or all of the available communication tools in order to disseminate the message to the appropriate university members. GSU will, without delay, and taking into account the safety of the community, determine the content of the notification, and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The University tests the emergency notification system on an annual basis. Information about emergency response and evacuation procedures for GSU is available on the GSU website. In all cases, University emergency responses shall place primary emphasis on the protection of human life, and all reasonable efforts shall be made to protect and preserve University property. Announcements about whether the University will reduce or suspend operations because of emergency conditions will be made by the President through the Office of Media Relations for release to the media.

In order to better communicate emergency information to the campus community, GSU has implemented the Everbridge notification System as the primary means of emergency notification. It is intended for the immediate transmission of specific information regarding an emergency to all affected areas of the campus through e-mail, text message, and telephone message. The university requires all students, faculty, and staff to submit a valid cell phone number at the beginning of each semester. Periodically, campus constituents are required to update this information to continue use of the University's computer management system. During an emergency, campus phones must be restricted to university official notification only. In the absence of phone services, the University Police and Facilities Management office may provide personnel to serve as point of contacts for emergency notification (contingent on available personnel).

## Location Definitions

Once GSU Police investigates and determines that the student has been missing for more than 24 hours, the GSU Police Department will notify other local law enforcement agencies and the student's emergency contact. Contacts to local law enforcement agencies will be made whether or not the missing student has designated a contact person. At the beginning of each semester, students living in on-campus housing will be given the opportunity to designate a contact person or persons to be notified if the student is determined to be missing. If a student is under the age of 18 and is not emancipated, the university will notify the custodial parent within 24 hours after the student is determined to be missing. Any contact person that the student has designated will also be contacted within 24 hours after the student is determined to be missing. Any contact information provided by the student will be registered confidentially and will be accessible only to authorized university and law enforcement officials. Additionally, the contact information will not be disclosed outside of a missing person investigation

## **STUDENT CONDUCT: STATEMENT ON POLICIES**

The President, as Chief Executive Officer of the University has the overall responsibility for the implementation of the Code of Student Conduct (Code) and the student disciplinary process and has delegated his overall management to the Vice President for Student Affairs and the Director of Judicial Affairs. The Director of Judicial Affairs is solely responsible for the daily administration of the Universities student judicial system. Code Authority is found in the Louisiana Revised Statutes, Acts, Concurrent Resolutions, etc. as the following: Louisiana Revised Statutes—17-3101 through 17:3109 (1969).

The **Code of Student Conduct** creates an expectation of behavior that the University deems acceptable. Its primary purpose is to ensure that students will not be deprived of life, liberty or property without due process. Although every student has rights guaranteed by the U.S. Constitution, these freedoms cannot be enjoyed, exercised, or protected in a community which lacks order and stability. It is therefore, each student's responsibility to adhere to the conduct and standards prescribed by the University, the Board of Trustees for the University of Louisiana System, as well as those established by local, state, and federal laws.

Admission to Grambling State University carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of

enrollment all students assume responsibility to observe standards of conduct that will contribute to the educational mission of the University.

The Code of Student Conduct shall be reviewed every two years by the Office of Student Conduct. Recommendations for revisions are to be submitted to the Vice President for Student Affairs and forwarded to the Policy Review Community for Consideration.

### **I. PURPOSE/OBJECTIVE**

Grambling State University is required to implement policies and procedures to prevent acts of sexual misconduct. These policies and procedures must be in compliance with the Louisiana Board of Regents Uniform Policy on Sexual Misconduct. Additionally, the University is required to take prompt and appropriate action to investigate and effectively discipline those found responsible for such conduct in a manner consistent with the law and due process.

The purpose of this policy is to provide Grambling State University with a clear set of behavioral standards, common understandings of definitions, key concepts, and descriptions of sexual misconduct.

This policy applies to Grambling State University community members, including students, faculty, and staff. It is intended to protect and guide Grambling State University community members who have been affected by sexual misconduct, whether as a Complainant, a Respondent, or a third party.

### **II. STATEMENT OF POLICY**

This Policy covers complaints of alleged sexual misconduct that may involve a student or employee either as an alleged perpetrator (accused) or as the victim (complainant). Sexual misconduct, as defined by this Policy and Procedure for Sexual Misconduct Complaints (this “Policy”), comprises a broad range of behaviors that will not be tolerated in the University’s community of trust.

For purposes of this Policy, sexual misconduct includes Sexual Exploitation, Sexual Harassment, Non-Consensual Sexual Contact, and Non-Consensual Sexual Intercourse, each as more fully defined below.

Sexual misconduct violates University policy and Federal civil rights law and may also be subject to criminal prosecution. The University is committed to fostering a community that promotes prompt reporting of all types of sexual misconduct and timely and fair resolution of sexual misconduct complaints. Creating a safe environment is the responsibility of all members of the University community.

As a public institution, the University also must provide due process to students or employees accused of sexual misconduct. This Policy is designed to provide a fair process for both parties while ensuring a complainant’s protections under Title IX. Consistent with due process, the accused is presumed not responsible until proven otherwise under this Policy.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), which requires (i) policies and procedures for sexual assault and requires timely warning and external reporting of crimes; and Section 304 of the Violence against Women Reauthorization Act of 2013 (VAWA), which extends the Clery Act to include dating violence, domestic violence and stalking. Act 172 of the 2015 Louisiana Legislative Session and any other applicable state laws.

## **Sexual Assault Policy**

On college campuses, acquaintance and date rape are more apt to occur than rape by strangers. Research on college women indicates as many as 20 percent of the female population may at some time be sexually coerced by acquaintances. While some students may not think of forced sexual relations as rape, such action constitutes a serious crime and is a felony under Section 14:42 of the Louisiana Revised Statutes.

### **If You Are the Victim of Sexual Assault**

Contact a friend to help you collect your thoughts and focus on your needs. If the assault occurred on campus, call the GSU Police Department at 274-2222 (2222 from a campus telephone). If the assault occurred off campus, call the local police agency by dialing 911.

### **Obtain Medical Care**

Quickly obtain medical care from the GSU Student Health Center or from a hospital emergency room. Do not bathe, shower, douche, or change clothes before seeking medical attention. The treatment for rape may require an examination at a designated hospital, testing for sexually transmitted diseases, medication to prevent pregnancy and documenting evidence of the crime.

### **Assist in the Investigation**

It is a personal decision whether to report a rape or sexual assault to police, but you are strongly encouraged to do so. The primary concern of the police is your safety and well-being; Their second and third concerns are apprehending the assailant and preserving the evidence of the crime.

If you decide not to report an assault, you are encouraged to call or to have a friend call the police, The Title IX Office, or the Office of the Vice President of Student Affairs to report the crime anonymously. The information provided will be helpful in tracking the number and nature of assaults on campus, but it is not helpful in furthering an investigation or apprehension.

### **Seek Counseling**

Whether or not you report the assault or pursue prosecution, you should consult a trained counselor for help in dealing with the emotional aftermath of a rape. Trained counselors are available at the GSU Counseling Center. Talking with a counselor or psychologist in no way compels a victim to take further action.

### **Important Options/Student Health Services**

The Student Health Center is available to victims of sexual assault. A victim may be examined by a physician for injuries, tested and treated for sexually transmitted diseases and tested for pregnancy. Victims desiring to pursue a criminal case will be referred to the Rape Crisis Center and the appropriate law enforcement agency in accordance with established procedures. The Student Health Center is open Monday through Thursday from 8:00 a.m. to 5:00 p.m. and Friday from 7:30 a.m. to 11:30 a.m. . All services are confidential.

### **Dating Violence**

If the incident took place off campus please contact the local authorities by dialing 911. Domestic Violence (Domestic Abuse Battery) – Louisiana Revised Statute 14:35.3 is the intentional use of force or violence by one household member upon the person of another household member.

Stalking – Louisiana Revised Statute 14:40.2 is the intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but is not limited to the intentional and repeated uninvited presence of the perpetrator at another person’s home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping or any other statutory criminal act to himself or any member of his family or any person with whom he is acquainted.

### **Sex Offender Statement**

The Campus Sex Crimes Prevention Act of 2000 (CSCPA), signed into law October 28, 2000, amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act. CSCPA provides special requirements relating to registration and community notification for sex offenders who are enrolled in or work at institutions of higher education . In addition to Wetterling, the Act also amended the Clery Act and the Family Educational Rights and Privacy Act of 1974 . As provided in the Wetterling Act, any person required to register under a state sex offender registration program must notify the state as to whether the person is a student or works at an institution of higher education, identify each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student, and must also alert the state of any change in enrollment or employment status . Louisiana State Police maintains the Louisiana Sex Offender and Child Predator Registry (SOCPR) for the State of Louisiana and is responsible for the enforcement of the applicable sections of law cited above . Information about any individual affiliated with Grambling State University in regard to this matter may be found at the public SOCPR website: [lsp.org/socpr/default.html](http://lsp.org/socpr/default.html)

## **Safety Tips**

Safety is a shared responsibility . As members of the campus community, everyone should help to make the campus a safer place . Using some simple safety precautions will greatly reduce your chance of becoming a victim of crime. One simple piece of information you should always have is your location. If there is an emergency, responders will ask for your location or address so have this information readily available. We cannot list specific measures that will protect you from every threatening situation which may arise. Instead, we hope to teach you how to think "crime prevention" in day-to-day living. The suggestions presented should not be thought of as a list of crime prevention measures, but as examples of common sense behavior that will help you to make life safer and more secure. Throughout the year GSU Police Department talks to a wide variety of groups on campus. Topics range from personal safety to sexual assault prevention. GSU Police Department is committed to meeting the needs of the community by presenting these programs as requested by the various campus organizations. To schedule a crime prevention program or talk, please contact the GSU Police Department at (318) 274-2222

## **Protecting Yourself at Home, in Your Room, Residence Hall, or Apartment**

- Lock your door, even when you intend to return home shortly or even if you are just going down the hall. It takes a thief 10 seconds or less to enter an open room and steal your property.
- Take extra time to ensure your windows and doors are locked, especially when you are alone or at night.
- Do not leave valuables in plain sight. Record the serial number of your valuables or engrave a unique identification number on the item.
- Store emergency numbers in your mobile phone and place them next to your house phone.
- Do not leave messages on your door indicating you are away and when you will return.
- Do not let strangers enter dormitory or premises.
- Do not prop open outer doors.
- If someone asks to use your phone for an emergency, offer to telephone

for them instead of allowing them access,

- Do not put your address on your key ring.
- Know your neighbors
- Do not leave keys in hiding places. Thieves will find them. Carry your keys or make sure anyone who truly needs them has their own copy. Call GSU Police Department at 318-274-2222 to report suspicious persons or activity in or around your neighborhood. Call 911 if you are off campus.
- Open a savings or checking account instead of keeping money in your room.
- Keep automatic teller machine cards in a safe place, and keep your PIN secret. When possible, only use ATMs during the day.
- Instead of carrying large sums of cash, use a charge card. Some charge cards insure property purchased with those cards against loss, theft or damage.
- If you find yourself in immediate danger, call 318-274-2222, try to stay calm and get away at first opportunity.

### **Protect Yourself When Walking**

- Avoid walking alone at night unless absolutely necessary .
- Stay on well-lit, commonly traveled routes .
- Avoid shortcuts and dark, isolated areas .
- Walk purposefully, know where you are going, and project a confident image .
- Avoid potentially dangerous situations .
- If you feel threatened, cross the street, locate an emergency phone, or enter a store or place of business even if you have just left it .
- Have your keys ready in hand when approaching your vehicle or door and not buried in a purse or in your pocket .

### **Protect Your Automobile or Bicycle**

- Always lock your car . Never leave the windows down while it is unattended .
- Do not leave tempting valuables or property visible inside the car . Lock these items in the trunk .
- Lock bikes to bike racks with hardened-alloy locks and chains or u-shaped locks to prevent thefts .

### **Protecting Yourself When Driving**

- Look into your car before getting in . Lock doors and roll up windows once inside for protection .
- Never pick up strangers .
- Drive to a police or fire station or open place of business if you feel you

are being followed .

- Do not stop to help occupants of stopped or disabled vehicles . Continue driving to the nearest phone and call assistance for them .

## **Rideshare Safety**

- Call and wait for your driver inside . Avoid spending unnecessary time outside alone with your phone in your hand . Wait indoors until the app shows your driver is arriving .
- Confirm the name of the driver and make of the vehicle . Most rideshare mobile apps offer passengers details such as the driver’s name, photo, and vehicle type . Before getting inside the vehicle, ask the driver, “Who are you here for?”
- Check the driver’s rating on your mobile ridesharing app. If you are uncomfortable with potential driver’s rating, cancel the ride and call for another. Share your trip details with friends or family. Uber users can tap “Share status” to share driver’s name, photo, license plate, and location with family or friends. Lyft users can tap the “Send ETA,” icon which will send a text message to family or friends . If your ride hailing service doesn’t offer a status or ETA share option, snap a picture of the vehicle license plate, and send it to a family member or a friend
- Be a backseat rider. If you are riding alone, sit in the backseat. This ensures you can safely exit on either side of the vehicle to avoid moving traffic and gives you and your driver some personal space.
- Protect your personal information. There is no need to share your phone number or contact information with your driver.
- Follow along in your own maps app . Open up your own maps tool, enter your destination, and follow along, noting any odd route shifts.
- Travel in groups when possible . There’s safety in numbers. Try riding with a friend or consider using the carpool option that some ride-hailing services offer such as Uber Pool or Lyft Line .
- If you sense that you are in trouble, call 911. If you are able, get out of and away from the vehicle, and go to the nearest open business or public area. If a threat seems imminent and people are close by, yell, blow a whistle, or make a commotion in any way you can to attract attention. Report all crimes (actual, attempted or suspected) to the police

**EMERGENCY CALL STATIONS** give you direct access to the GSU Police Department 24 hours a day, use these to contact the Police Department for any reason. If in an emergency you are unable to talk to the dispatcher, just press the button and a police officer will respond to your location immediately.

**IF ANYTHING MAKES YOU LOOK TWICE OR FEEL UNCOMFORTABLE, CALL THE POLICE. REPORT ANY UNUSUAL OR SUSPICIOUS ACTIVITY IMMEDIATELY.**

**FIRE ALARMS** - If you hear a fire alarm, you must leave the building immediately. In multi-story buildings, do not use the elevator; exit via the stairway. Cooperate with all staff members and other authorities. Do not reenter the building until you are given permission to do so by a police officer, fire fighter or staff member.

**BOMB THREATS** - Notify the police at once by dialing if you receive a bomb threat call (318) 274-222. Try to be as specific as possible when relaying what the caller said.

**MEDICAL EMERGENCIES** - For any situation requiring emergency medical assistance on campus, call (318) 274-2222.

**MOTOR VEHICLE AND BICYCLE ACCIDENTS** - State statutes require that the police be notified of any motor vehicle accident resulting in personal injury or property damage in excess of \$500.00. Accidents on campus should be reported to the GSU Police Department at (318) 274-2222.

Students and parents are also provided with public safety information during orientation programs. ## **Fire Safety Training and Education**

All Resident Assistants (RA), Community Assistants (CA) Area Coordinators (AC) receive fire training and education each year. The initial residence hall meeting with students includes fire safety, fire alarm responsibilities and evacuation procedures. Fire drills are an important part of fire safety training. Students are given information to direct them to our "[Residence Hall Tiger Bulletin](#)" when they check-in at their residence halls. This document contains the fire alarm policy and the fire evacuation procedures for the residence halls. The students also receive a copy of the "[What to Bring & Not to Bring](#)" which includes listings of items that are prohibited in the residence halls.

## **Fire Drills**

Two fire drills are held in each residence hall per year. These drills are announced and unannounced drills and day and evening drills. Residents must evacuate the building immediately when the alarm sounds.

## **Electrical Appliances and Equipment**

Electrical appliances such as crock pots, electrical grills, fry daddy's, outside grills, hot plates, coffee makers, toasters, toaster ovens, sandwich makers or any other open heating element-are not permitted in student rooms. Anyone found in violation will be charged a fine of \$500 and the belongings will be confiscated and returned at the end of the semester. Irons are allowed. Microwaves under 600 watts are permitted. Electrical appliances that cause disruption to the residence hall circuits by overloading, shorting, or creating line disturbances such as -window air conditioners, refrigerators more than 2.5 cubic feet-are not permitted. TV's, computers, radios, hair dryers, shavers, floor or box fans, clocks, typewriters, and stereos are permitted. Outside antennas for TV's are not allowed. All electrical devices need to be plugged into a surge protector for safety. Surge protectors are required for all electrical usage.

## **Flammable Items**

Flammable items such as lighters, lighter fluid, and gas are not allowed in or near the Residential Halls.

## **Smoke Free Campus**

All university residence halls and facilities are non-smoking. Illegal use, possession, distribution, or manufacture of drugs or controlled substances is NOT PERMITTED in residential halls. Any student found smoking in the residence hall (room, hallway, in front of building, campus, etc.) will be fined \$500.00 and sent to Judicial Affairs. Possession or use of drug paraphernalia

(hooky bong, grinders) is prohibited includes E-Cigs, all cigarettes, cigars, vaporizers, and smokeless tobacco.

### **Fire Safety**

If a fire alarm is sounded, remain calm but **YOU MUST LEAVE THE BUILDING AS QUICKLY AS POSSIBLE**. Students should not re-enter the building until Housing or University official has instructed you to do so. Fire drills are conducted each semester. Should a student fail to comply with the fire drill, the students account will be assessed a fine of \$500.00. The burning of incense of any kind is not permitted in the residence halls. These items are considered a safety risk and will be immediately confiscated and discarded if found and will result in a fine. Additionally, fireplace usage is **PROHIBITED**. Any student found in violation will be fined and referred to Judicial Affairs.

### **Tampering with Fire Equipment, False Alarms**

Student (s) responsible for discharging fire equipment, tampering with alarm horns, smoke detectors or false fire alarms shall be referred to the Office of Student Judicial Affairs and may also be prosecuted through the criminal courts and are subjects to fines and monetary penalties as mandated by the State of Louisiana. State fire code prohibits the burning of incense or candles in rooms, suspending items from room ceilings and sprinklers. Any item with an open heating element or that exceeds specified wattage is prohibited within the residence hall. All fire violations result in a mandatory judicial processing, which may include monetary charges, fire education seminar and/or community service.

#### **In the event of a fire or other emergency please remember the following steps to safely evacuate the building:**

1. Pull the fire alarm if it has not already sounded, so that everyone will be alerted of the need to evacuate the building. If the fire alarm has sounded, begin evacuation of the building.
2. All building occupants must exit the building at the nearest exit to the room that they are in. If the nearest exit is blocked due to fire or an emergency, the next safest exit should be used.
3. The last occupant of each room should shut the door to the room. This will help prevent fire and smoke damage to the room.
4. Contact a Campus Living staff member, the University Police at 318-274-2222 or dial 911, once you are safe.
5. Once you have evacuated the building please go to the designated assembly area for your building, if it is safe to do so (buildings may have more than one designated assembly area).
6. A Campus Living staff member must account for all their residents after the evacuation. If a person is thought to be missing then you should tell emergency personnel (fire, police, safety, etc.) as soon as possible. Tell the emergency personnel the name of the missing person and the

probable location in the building. Try to confirm that the person is missing. Make sure that they did not come out of a different exit. If possible, make sure that their car is still in the parking lot. If the person is located, tell emergency personnel immediately so that they do not risk their lives looking for this person.

7. No one is allowed to re-enter the building until the fire dept., police, safety, or other qualified personnel confirm that the building is safe to re-enter.

8. Once the evacuation is completed a Residential Life/Housing staff member will complete and submit a fire drill/ building evacuation.

### **Individuals in Need of Exit Assistance:**

It is recommended that those individuals who may need assistance in exiting a building work with a colleague to develop a communication plan. It is generally advised that you:

- Call University Police at (318) 274-2222 to inform them of your location.
- Wait in the nearest area of shelter. If the building you are in does not have an area of shelter, wait inside a stairwell (one that is separated from the hallway with doors).
- Residential students also must inform their Area Coordinator or Campus Living Staff Member of the accommodations needed.
- A Campus Living staff member will call GSUP at 318-274-2222 or find an on-scene emergency responder and report the location of the individual.

### **Smoke Detectors**

Each residence hall room is equipped with a smoke detector. Periodically, campus living hall staff members and licensed technicians will test the smoke detectors to insure they are functioning properly. (If there is a problem with the smoke detector in your room, please notify a campus living staff member immediately). Do not tamper with the smoke detector or any fire prevention equipment at any time. Students, who tamper with fire prevention equipment are fined \$500 and referred to the Office of Student Judicial Affairs. Students may also incur additional penalties as mandated by the State Fire Marshall and may be recommended for removal from University Housing. Residents that reside at GSU West Campus must contact the housing staff when smoke detectors sound.

### **Sprinkler System**

Tiger Village is equipped with sprinkler heads. These heads are designed to provide you with safety from a fire in your room or residence hall. Students should not hang anything on the sprinklers, this may cause it to activate

### **Community Involvement and Plans for Future Improvement**

In the 2018-2021 academic year, Campus Living professional staff members have conducted fire drills in the residential halls two times a year. Students were also informed during hall meetings and programs, telling them about fire safety and exiting the building. In addition, Grambling City Fire Department completed training for professional staff and student staff during the Fall and Spring semesters. Plans include more programs to get the students involved, conduct yearly tours with the Grambling Fire Department to be familiar with the location of the residential halls.

### Designated Assembly Areas

The campus has selected evacuation areas near buildings to serve as designated assembly areas. This places the occupants far enough from the building to protect them while also ensuring that emergency services have access to the areas where they will need to stage themselves.
