

Policy # 62003

**POWER-BASED VIOLENCE/SEXUAL MISCONDUCT
POLICY**

Effective Date: August 10, 2021

Revised Date: September 14, 2023

Responsible Office: Office for Civil Rights and Title IX

Division: Operations and Administration

I. PURPOSE/OBJECTIVE

Grambling State University is required to implement policies, procedures, practices, and educational programs to prevent, respond to, and redress incidents involving acts of power-based violence, including sexual misconduct and Title IX conduct. These policies and procedures comply with the Louisiana Board of Regents (BOR) Power-Based Violence/Sexual Misconduct Policy and Procedures, applicable federal and state laws and regulations and, will be amended to reflect any changes therein. Louisiana Board of Regents (BOR) Power-Based Violence/Sexual Misconduct Policy and Procedures requires Grambling State University to address allegations of power-based violence, including sexual harassment and sexual assault, within a timely and effective manner.

The purpose of this policy is to provide Grambling State University community members with information, guidance to address individuals who have been affected by power-based violence, whether as a Complainant, a Respondent, or a Witness, and provide fair and equitable procedures for all parties. This policy is applicable to student conduct that occurs both on and off-campus.

II. STATEMENT OF POLICY

This Policy covers power-based violence, which is a broader term that covers gender/sex-based misconduct beyond the Title IX Regulations' "sexual harassment" definition. Power-based violence is defined as any form of interpersonal violence intended to control or intimidate another person by asserting power over the person. It includes but is more expansive than sexual misconduct and Title IX misconduct. These behaviors will not be tolerated in the University's community of trust. The University is committed to fostering a community that promotes prompt reporting of power-based violence and sexual misconduct and timely and fair resolution of complaints. Creating a safe learning, working, and living environment is the responsibility of all members of the University community.

The comprehensive scope of this Policy includes procedures to address both power-based violence (which includes sexual misconduct) and Title IX conduct (see Title IX Formal Grievance Procedures).

POWER-BASED VIOLENCE/SEXUAL MISCONDUCT POLICY

Additionally, this policy is in accordance with federal and state laws, including Act 472 of the 2021 Legislative Session of the Louisiana Legislature (Act 472), Title IX of the Education Amendments of 1972 (Title IX), and Title VII of the Civil Rights Act of 1964 (Title VII), the Violence Against Women Act (VAWA), The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), and other applicable laws.

This Policy is not intended to infringe upon or restrict rights guaranteed by the United States Constitution, including the right to free speech under the First Amendment or the due process clauses of the Fifth and Fourteenth Amendments.

A. REPORTING POWER-BASED VIOLENCE

Anyone may report an incident of power-based violence (to include Sexual Misconduct and Title IX Conduct) even if they do not intend to pursue a Formal Complaint.

Any student who knowingly and in bad faith makes a false accusation of power-based violence or retaliation of any form will be subject to an investigation for a potential violation of this policy and may be subject to disciplinary action.

A report can be made by any individual who has:

1. Experienced or been affected by power-based violence (i.e., First-Party Reporter); or
2. Knowledge of or witnessed power-based violence happening to or affecting someone else (i.e., Third-Party Reporter).

After making a report, an individual may choose to file or request a Formal Complaint and pursue resolution (under this policy or the Title IX Formal Grievance Procedure, as applicable) or, if applicable, an Informal Resolution involving the Respondent; may choose to be involved or not be involved in the University's investigation and any related proceedings; or may choose to end involvement in the process.

B. REPORTING POSSIBLE THREATS TO UNIVERSITY

Students, faculty, and other personnel may access the [Title IX/Power-Based Violence/Sexual Misconduct Incident Report Form](#) to report potential threats. The form requires the following information:

1. Name of Institution, person, or group being threatened;
2. Name of student, individual, or group threatening violence;
3. Date and time the threat was made; and
4. Method by which the threat was made, including the social media outlet or website where the threat was posted, a screenshot or recording of the threat, if available, and any printed evidence of the threat.

The process for anonymous reporting and for safeguarding the identity of a person who reports an incident of power-based violence, or a safety threat is included in Section VII-Confidential and Anonymous Reporting.

For every report of an incident of power-based violence or a safety threat received, the university and the campus law enforcement agency or security officers' actions are documented. These policies shall also provide guidelines on referring the reports to the appropriate law enforcement agencies.

Employees, students, and non-students may file a report in person during regular business hours (7:30 a.m. to 5:00 p.m., Monday – Thursday, and 7:30 a.m. – 11:30 a.m., Friday) with the Title IX Coordinator.

III. Applicability

This Policy applies to all students, faculty, staff, visitors, volunteers as well as to contractors, consultants, and vendors doing business or providing services to the University

IV. Revision/Reviewed

The University will review, evaluate, and make revisions or amendments to this policy as needed to reflect any changes to federal and state laws and regulations.

V. Definitions

For purposes of this Policy, the following terms will have corresponding definitions.

Advisor: A person chosen by a party or appointed by the Institution to accompany the party to meetings related to the resolution process, to advise the party on that process, and to conduct cross-examination for the party at the hearing, if any.

Chancellor/President: The chief executive officer of a public postsecondary education Institution.

Coercion: The use of express or implied threats, intimidation, or physical force, which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance with the intent to impair that person's ability to consent prior to engaging in sexual activity.

Complainant: An individual who is alleged to be the victim of behavior that could constitute power-based violence under this policy (or an individual who is alleged to be the victim of conduct that could constitute sexual harassment under Title IX) irrespective of whether a Formal Complaint has been filed.

Confidential Advisor: A person designated by an Institution to provide emergency and ongoing support to students who are alleged victims of power-based violence.

Consent: Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate Consent. Consent must be knowing and voluntary. To give Consent, a person must be of legal age. Assent does not constitute consent if obtained through coercion or from an individual whom the Alleged Offender knows or should know is incapacitated.

The responsibility of obtaining Consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain Consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of Consent has been expressed, sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving Consent. A current or previous consensual dating or sexual relationship between the parties does not itself imply Consent or preclude a finding of responsibility.

Decision Maker: An individual selected by the institution and charged with determining responsibility for an allegation of power-based violence.

Employee: An employee is defined as:

- i. An administrative officer, official, or employee of a public postsecondary education board or Institution.
- ii. Anyone appointed to a public postsecondary education board or Institution.
- iii. Anyone employed by or through a public postsecondary education board or Institution.
- iv. Anyone employed by a foundation or association related to a System Management Board or Institution.

The employee category does not include a student enrolled at a public postsecondary institution unless the student works for the GSU in a position such as a teaching assistant or residential advisor.

Formal Complaint: A signed document filed by a Complainant or signed by the Title IX Coordinator alleging power-based violence or retaliation and requesting the Institution investigate and possibly adjudicate the alleged issue. A third party who knows of or witnessed an incident of power-based violence but who did not suffer such conduct themselves may request that the Institution treat their third-party Report as a Formal Complaint.

GSU can convert a report to a Formal Complaint if it determines that, in order to meet its state and/or federal obligations to provide a safe and nondiscriminatory environment for the broader institutional community, it must take further steps to address and resolve the matter.

For purposes of alleged misconduct that satisfies the jurisdictional requirements of Title IX, see Formal Complaint in the GSU Title IX Grievance Procedures.

Institution: A public postsecondary education institution.

Informal Resolution: A voluntary process that is separate and distinct from an Institution's investigation and adjudication processes that allows the parties (i.e., Complainant and Respondent) to reach a mutually agreeable resolution.

Incapacitation: An individual is considered to be incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Individuals who are asleep, unresponsive, or unconscious are incapacitated. Other indicators that an individual may be incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress without assistance, inability to walk without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive tasks without assistance.

Investigators: Individuals designated by the Title IX Coordinator to conduct investigations of alleged power-based violence.

Mandatory Reporter: An individual who is obligated by law to report any knowledge they may have of power-based violence. For purposes of this Policy, mandatory reporters include Responsible Employees. (See definition of Responsible Employee.)

Power-based Violence: Any form of interpersonal violence intended to control or intimidate another person through the assertion of power over the person, to include the following:

- a. Dating violence (R.S. 46:2151(C)).
- b. Domestic abuse and family violence (R.S. 46:2121.1(2) and 2132(3)). For the purpose of this Part, domestic abuse shall also include any act or threat to act that is intended to coerce, control, punish, intimidate, or exact revenge on the other party, for the purpose of preventing the victim from reporting to law enforcement or requesting medical assistance or emergency victim services, or for the purpose of depriving the victim of the means or ability to resist the abuse or escape the relationship.
- c. Nonconsensual observation of another person's sexuality without the other person's consent, including voyeurism (R.S. 14:283.1), video voyeurism (R.S. 14:283), nonconsensual disclosure of a private image (R.S. 14:283.2), and peeping tom activities (R.S. 14:284).
- d. Sexual assault (R.S. 14:41, 42 through 43.5, 89, 89.1, and 106).
 - i. Sexual Battery (14:43.1)

 - xii. Enticing persons into prostitution (14:86)

POWER-BASED VIOLENCE/SEXUAL MISCONDUCT POLICY

- f. Sexual harassment means unwelcome sexual advances, requests for sexual favors, and other verbal, physical, or inappropriate conduct of a sexual nature when the conduct explicitly or implicitly affects an individual's employment or education, unreasonably interferes with an individual's work or educational performance, or creates an intimidating, hostile, or offensive work or educational environment and has no legitimate relationship to the subject matter of a course or academic research.

Responsible Employee: An employee who receives a direct statement regarding or witnesses an incident of power-based violence. Responsible Employees do not include an employee designated as a Confidential Advisor pursuant to R.S. 17:3399.15(B) or an employee who has privileged communications with a student as provided by law.

System: A Louisiana public postsecondary management board.

System President: The president of a public postsecondary education system.

Supportive Measures: Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the Institution's educational environment, or deter sexual harassment. Supportive Measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

Title IX Coordinator: The individual designated by a public postsecondary education institution as the official for coordinating the Institution's efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 and Act 472 the 2021 Regular Legislative Session of the Louisiana Legislature.

POWER-BASED VIOLENCE/SEXUAL MISCONDUCT POLICY

Title IX Grievance Procedure: A process for addressing and resolving a “Formal Complaint” that satisfies requirements set forth in 34 C.F.R. §106.30. *See accompanying Title IX Grievance Procedure for key terms.*

Title IX Sexual Harassment: For the purposes of determining whether power-based violence will be treated as a potential violation of Title IX in accordance with the Title IX Grievance Procedure, Title IX sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- A. An employee of the Institution conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
- C. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

VI. Safety Education

The University shall, in consultation with campus or local law enforcement agencies develop and distribute information to students regarding power-based violence, campus safety, and internet and cell phone safety and online content that is a potential threat to school safety.

The information shall include the following:

- 1. Instruction on how to identify and prevent power-based violence and how to detect potential threats to school safety exhibited online, including on any social media platform;
- 2. How to report incidents of power-based violence, crimes on campus, violations of the student code of conduct, and possible threats to campus safety; and
- 3. Where to find reports regarding campus safety.

The information shall be distributed as part of a new student orientation and shall be posted on Grambling State University website.

VII. Retaliation Prohibition

Retaliation is expressly prohibited under this policy. Retaliation includes, but is not limited to, intimidation, harassment, threats, or other adverse action or speech against the person who reported the misconduct, the parties, and their witnesses.

GSU expressly prohibits retaliation against anyone who: 1) in good faith reports what they believe is power-based violence, 2) cooperates with an investigation or proceeding under this policy, or 3) opposes conduct that they believe to violate this policy. However, an individual

POWER-BASED VIOLENCE/SEXUAL MISCONDUCT POLICY

who reports an incident of power-based violence or participates in an investigation or proceeding and has perpetrated or assisted in the perpetration of committing the power-based violence reported, is still subjected to an investigation for a potential violation of this policy and may be subject to disciplinary action

The University will not only take steps to prevent retaliation but will also take strong corrective action if it occurs. Anyone who believes they have been retaliated against should immediately report it to the Title IX Coordinator, who will treat it as a reportable matter. Any individual found to have retaliated against another individual will be in violation of this policy and will be subject to disciplinary action. Employees who are mandatory reporters (i.e., Responsible Employees) under this policy is required to report retaliation.

Anyone who knowingly makes a false accusation of unlawful discrimination, harassment, or retaliation of any form will be subject to an investigation for a potential violation of this policy and may be subject to disciplinary action, up to and potentially including termination for employees and expulsion for students.

VIII. Reporting Power-Based Violence**A. Mandatory Reporting for Employees**

An employee who receives a direct statement regarding or witnesses an incident of power-based violence committed by or against a student is a Responsible Employee (unless they are designated specifically as a Confidential Advisor). A Responsible Employee shall promptly report the incident to the University's Title IX Coordinator. (See Section III for definition of Responsible Employee.)

A Responsible Employee must report the following to the Title IX Coordinator:

1. The identity of the alleged victim.
2. The identity of the alleged perpetrator;
3. The type of power-based violence or retaliation alleged to have been committed;
4. Any other information about witnesses, location, date, and time that the incident occurred; and
5. Any other relevant information.

However, according to state law a Responsible Employee is not required to make a report if information involving power-based violence was received in the following circumstances:

1. During a public forum or awareness event in which an individual discloses an incident of power-based violence as part of educating others;
2. Disclosure made in the course of academic work consistent with the assignment; or

3. Disclosure made indirectly, such as in the course of overhearing a conversation.

If an individual chooses to make an initial report to an employee other than the Title IX Coordinator, that employee must refer the information to the Title IX Coordinator. The Title IX Office bears the responsibility for responding to reports of power-based violence. Once the information is received by the Title IX Coordinator, it should constitute a report.

The University recommends as a best practice that, if an employee believes an individual may intend to share any information regarding an instance of power-based violence, the employee should seek to confirm that the reporting party understands the employee's obligations as a mandatory reporter. If the reporting party would prefer to speak with a confidential resource, the employee should direct the reporting party to a confidential resource. A list of confidential resources is provided in the policy.

A Responsible Employee who is determined by the University's disciplinary procedures to have knowingly failed to make a report or, with the intent to harm or deceive, made a Report that is knowingly false shall be terminated.

B. Student's False Reporting

Any student who knowingly and in bad faith makes a false accusation of power-based violence or retaliation of any form will be subject to an investigation for a potential violation of this Policy and may be subject to disciplinary action.

C. Confidential and Anonymous Reporting

In accordance with state law, unless waived in writing by the alleged victim, the identity of an alleged victim of an incident reported under R.S. 17:3399.13 is confidential and not subject to disclosure except to:

1. A person employed by or under contract with the Institution to which the report is made, if the disclosure is necessary to conduct the investigation of the report or any related hearings.
2. A law enforcement officer as necessary to conduct a criminal investigation of the report.
3. A person alleged to have perpetrated the incident, to the extent required by law; or
4. A potential witness to the incident is necessary to conduct an investigation of the report.

Note: Consistent with FERPA's prohibition on re-disclosure of confidential information, any person who receives another person's confidential information

solely as a result of participation in any investigation or proceeding under this Policy is prohibited from using or disclosing such confidential information outside of such forums without express consent or for any improper purpose. This provision only applies to other people's confidential information, as a party is never restricted from discussing their own experience. This provision does not apply to any information learned outside of an investigation or proceeding under this Policy.

An alleged victim shall be advised of the right to seek a Confidential Advisor. *See additional information pertaining to Confidential Advisors.*

D. Immunities and Amnesty

An individual acting in good faith who reports or assists in the investigation of a report of an incident of power-based violence, or who testifies or otherwise participates in a disciplinary process or judicial proceeding arising from a report of such an incident may not be subjected to any disciplinary action by the University in which the individual is enrolled or employed for any violation of the University's code of conduct reasonably related to the incident for which suspension or expulsion from the institution is not a possible punishment.

Immunity shall not apply to an individual who perpetrates or assists in the perpetration of power-based violence.

Such a student shall not be sanctioned by the University for a Nonviolent Student Conduct Violation, such as underage drinking, that is revealed in the course of making such a report.

IX. Transcript Withholding, Notation & Communication Policy

In accordance with state law, public postsecondary Institutions shall implement uniform transcript notation and communication policies to effectuate communication regarding the transfer of a student who is the subject of a power-based violence Formal Complaint or who has been found responsible for an incident of power-based violence pursuant to an Institution's investigative and adjudication process. The following Section(s), which include procedures relative to the withholding or notation of transcripts during the investigative and adjudication processes, were developed by BOR in consultation with the System Management Boards.

At a minimum, for any student who is the subject of a power-based violence Formal Complaint and who attempts to transfer to another institution, the Institution from which the student seeks to transfer ("Sending Institution") shall either (1) withhold the transcript of the student or (2) place a notation on the student's transcript. If the Sending Institution does not know whether the student seeks to transfer to another Institution, the student's transcript shall either be withheld or notated.

POWER-BASED VIOLENCE/SEXUAL MISCONDUCT POLICY

The Sending Institution shall notify the student that their transcript has been withheld or notated, and of the appeals process to have the hold or notation removed. Either the transcript is withheld, or the notation remains on the transferring student's transcript until the Institution makes a determination that the transferring student is not responsible for power-based violence, or the transferring student prevails in a request to appeal the withholding of a transcript or notation pursuant to Part c of this Section, whichever occurs first.

A. WITHHOLDING STUDENT TRANSCRIPTS

If the Sending Institution chooses to withhold upon the filing of a Formal Complaint, the Institution shall place an administrative hold on the transcript of a student who is the subject of the Formal Complaint. For any student who is the subject of a power-based violence Formal Complaint that also constitutes sexual harassment under Title IX, the Institution should commence an investigation and place a notation on the student's transcript, rather than withholding the transcript.

When a student transcript is withheld, the institution to which the student seeks to transfer ("Receiving Institution") must make a timely inquiry directed to the Sending Institution regarding the purpose of the transcript hold. Upon such an inquiry, the Sending Institution must timely disclose appropriate and factual information, consistent with the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g.

B. NOTATION

If the Sending Institution chooses to notate upon the filing of a Formal Complaint, the Institution may place a notation on the transcript of a student attempting to transfer to another institution. For any student who is the subject of a power-based violence Formal Complaint that also constitutes sexual harassment under Title IX, the Sending Institution should commence an investigation and place a notation on the student's transcript, rather than withholding the transcript.

For a transferring student who is the subject of a pending investigation, the notation on the transcript shall read: "**ADMINISTRATIVE MATTER PENDING**" or other notation sufficient to place the Receiving Institution on notice and trigger an inquiry regarding the notation directed to the Sending Institution.

For a transferring student for whom a final decision has been rendered, and the student has been found to be responsible for power-based violence, the notation on the transcript shall read: "**STUDENT FOUND RESPONSIBLE IN VIOLATION OF CODE OF CONDUCT**" or other notation sufficient to place the Receiving Institution on notice and trigger an inquiry regarding the notation directed to the Sending Institution.

When a student transcript is notated as described above, the Receiving Institution must make a timely inquiry directed to the Sending Institution regarding the purpose of the transcript notation. Upon such an inquiry, the Sending Institution must timely disclose

appropriate and factual information, consistent with the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g.

For a transferring student found to be responsible for power-based violence, the Sending Institution will determine how long the notation will remain on the student's transcript.

If a student is not found responsible, the Sending Institution must remove the notation and must send an updated version of the student's transcript to the Receiving Institution (if known).

C. TRANSCRIPT WITHOLDING AND NOTATION APPEALS

A student whose transcript has been withheld or notated as described above may request a release of the hold or an expungement of the notation for good cause shown. Cause may include, but is not limited to, when (1) a student who transferred while under investigation was found not responsible or (2) a student was initially found responsible and later evidence showed that the student was in fact not responsible. In the second instance, the University must send an updated version of the student's transcript.

Such a request shall be submitted in writing to the [Grambling State University Office of the Registrar](#). The University's Registrar shall notify the student requesting of its decision no later than seven (7) business days from the date that the appeal request is made.

X. Victims' Rights Policy

- The right to an equitable investigation and resolution of all credible allegations of prohibited harassment or discrimination made in good faith to university officials.
- The right to timely written notice of all alleged violations, including the identity of the parties involved (if known), the precise misconduct being alleged, the date and location of the alleged misconduct (if known), the implicated policies and procedures, and possible sanctions.
- The right to timely written notice of any material adjustments to the allegations (e.g., additional incidents or allegations, additional Complainants, unsubstantiated allegations) and any attendant adjustments needed to clarify potentially implicated policy violations.
- The right to be informed in advance of any public release of information regarding the allegation(s) or underlying incident(s), whenever possible.
- The right not to have any personally identifiable information released to the public without consent provided, except to the extent permitted by law.
- The right to be treated with respect by university officials.
- The right to have University policies and procedures followed without material deviation.

POWER-BASED VIOLENCE/SEXUAL MISCONDUCT POLICY

- The right not to be pressured to mediate or otherwise informally resolve any reported misconduct involving violence, including sexual violence.
- The right not to be discouraged by university officials from reporting sexual misconduct or discrimination to both on-campus and off-campus authorities.
- The right to be informed by university officials of options to notify proper law enforcement authorities, including on-campus and local police, and the option(s) to be assisted by university authorities in notifying such authorities, if the party so chooses. This also includes the right not to be pressured to report, as well.
- The right to have allegations of violations of this Policy responded to promptly and with sensitivity by university law enforcement and/or other University officials.
- The right to be informed of available interim actions and supportive measures, such as counseling; advocacy; health care; legal, student financial aid, visa, and immigration assistance; or other services, both on campus and in the community.
- The right to a university-implemented no-contact order or a no-trespass order against a non-affiliated third party when a person has engaged in or threatens to engage in stalking, threatening, harassing, or other improper conduct that presents a danger to the welfare of the party or others.
- The right to be informed of available assistance in changing academic, living, and/or working situations after an alleged incident of discrimination, harassment, and/or retaliation, if such changes are reasonably available.
