Results of Graduating Senior Survey+ OFFICE OF CAREER SERVICES.

Year 2011	# of Graduates*	Employed at graduation**	Employed in Major	Graduate School Only	Unemployed or did not respond	Graduates w/ previous intern assignment***
SPRING 2011	428	188	141	47	52	29
FALL 2011	503	255	133	95	20	37
=====	=====	=====	=====	=====	=====	=====
TOTALS	931	443	274	142	275	66
		48%	29%	15%	45%	

- + Data by individual majors is being compiled as will available the semester.
- * number of graduates completing the exit form at the Career Development & Placement Office (including graduate students)
- ** number of graduates employed prior to graduation
- *** there is no centralized coordination of internships and cooperative education assignments. These numbers come from interviewing graduate as they completed the exit form in the Career Development and Placement Office
