**GUIDELINES FOR COMPLETING THE GSU COB
INTELLECTUAL CONTRIBUTION FORM.**

Under: Publication of Mission Driven Research Article in Peer Reviewed Journal (*Minimum of 2 Publications*)

- In the first box, type in the topic or title of the two mission-driven research studies you intend to work on (including a work in progress in the next 3 years), one after the other.

In the space provided in the first box under Research Topic 1:

- Type in the title of the first research topic you intend to work on and publish.
- In the space provided in the second box under Research Topic 1:
- Type in the names and institutional affiliations of any co-authors or researchers you will be working with.

In the space provided in the first box under Research Topic 2:

- Type in the second research topic title you intend to work on and publish.
- In the space provided in the second box under Research Topic 2:
- Type in the names and institutional affiliations of any co-authors or researchers you will be working with.

PAGE 4 OF THE PLAN

- List the resources you will require for your plan, such as software, etc., but do not put any financial estimate in the last column, as the value of such resources will be determined at the time of acquisition.

PAGE 5 OF THE PLAN

- On page 5, list five other intellectual contributions you plan to undertake besides research publication that you intend to carry out in the next 3 years and the resources you need to undertake them

GRAMBLING

College of Business

- This could include conference attendance, professional development activities, being an editor of a journal or a reviewer, etc. Please see the COB IC policy for guidance.
 - Resources needed could include transportation, conference attendance fee, hotel accommodation, etc. Please list items without stating their financial value, as these are subject to inflationary changes.
 - If you have more items than can fit on page 5, continue on page 6. Otherwise, delete page 6.
-
- Sign and date your plan on the last page (7) either electronically or manually (and scan it) and forward it to Ms. Amanda Sapp
