

Honors Recognition Celebration

Spring, 2021
Virtual Observance

Richard “Rick” Gallot, JD, President

**Dr. Connie Walton, Provost &
Vice President for Academic Affairs**

**Dr. Ellen D. Smiley, Dean
Earl Lester Cole Honors College**

Dear Honorees:

Congratulations to all of the honorees being recognized during the Spring 2021 Recognition of Honor Students for your academic achievements. The ingenuity and versatility exhibited as you transitioned from face to face to online instruction has been truly extraordinary.

I encourage you to continue to stay focused, work hard and make the commitment to prepare yourself by taking advantage of all available resources. Our faculty, staff, deans, department heads, and administrators are eager to help you succeed.

The current COVID-19 crisis has continued to challenge many of you this academic semester. Social distancing, mask wearing, and hybrid classes have certainly altered both the teaching and learning experience. As always, you have risen to the occasion and proven to the world that we are still the place "Where Everybody is Somebody".

Again, I congratulate each of you on your motivation to achieve academic excellence!

In Tiger Spirit,

Richard J. Gallot, Jr., JD
President

Office of the Provost and Vice President for Academic Affairs

Dear Honor Student:

You are to be commended on your academic success! The fact that you have been able to achieve academic merit during a pandemic speaks to your motivation and commitment to excellence. Your tenacity and the ability to remain focused will continue to serve you well. You are paving a path that will lead to a bright future. As an Honor Student, you are acquiring a set of skills that will support excelling in your profession and being recognized as a leader.

Wishing you continued success,

Connie Walton

Connie Walton, Ph.D.
Provost and Vice President

Greetings:

Grambling State University's lineage is rooted in excellence at all levels. Through our virtual Honors Recognition Program, with great pride and respect, we pause to commemorate our honors students, who represent one aspect of that storied lineage.

The University's top scholars have distinguished themselves as members of Graduate Studies honors, the President's List, the Dean's List, the University Honor Roll, and the most recent inductees of the Earl Lester Cole Honors College. Their success is a testament to hard work and dedication that is driven by a purposeful faculty and a foundation that is supported by family, friends, and others.

It is an honor to recognize these learners for yet another historical milestone in their academic preparation. We are proud that our students have set their sights high, striving for excellence on their educational journey.

On behalf of the Honors Recognition Committee, join us as we celebrate our scholars. It is our hope that they will continue to be motivated towards success as they inspire us and others.

Best,

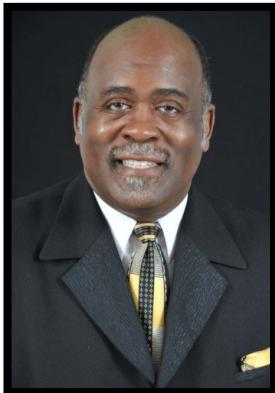

Ellen D. Smiley, Ed.D., Dean

EARL LESTER COLE HONORS COLLEGE

Dr. Ellen D. Smiley, *Dean*

The Earl Lester Cole Honors College was established in the fall of 1990 for the purpose of developing scholars for service at GSU. The Honors College is designed to provide enhanced academic experiences for academically talented students, while they earn a degree. The College engages all participants in service-learning and encourages research activities. The goals of the honors college are to: enhance social and leadership skills; encourage the pursuit of academic excellence; provide opportunities for intellectual achievement; and to develop productive citizens. These are the Fall 2020 Inductees.

THE ALMA MATER

Old Grambling, dear Grambling,
We love thee, dear old Grambling
We're loyal to thee, our dear old School,
We'll fight for thee for evermore.
And when life's game is fought and won,
The hills will ring with victory's song.
Old Grambling, dear Grambling,
We love thee, dear old Grambling

Old Grambling, dear Grambling,
We love thee, dear old Grambling
Long may thee stand 'til all the land
Has felt the worth of thy great hand.
And when thy sons to battle go,
The hills will ring from shore to shore.
Old Grambling, dear Grambling,
We love thee, dear Old Grambling.

Lyrics by Ralph Waldo Emerson "Prez" Jones

Honors Day Oath

I believe that education is a privilege.

I believe in my fellow students.

Therefore I treat my fellow students with dignity and respect.

I listen to them. I learn from them.

I engage in collaborative discussions, trusting they will do the same.

I believe new opportunities make me better.

I embrace change.

I remain curious.

I am hopeful.

I believe that giving back does not start after graduation.

I believe it begins now, and should happen every day after.

I believe knowledge can change us.

I believe we can change the world.
