Leading to the

Bachelor of Science Degree in Business

Memorandum of Understanding
Between
Southern University at Shreveport
And
Grambling State University

Introduction

This Memorandum of Understanding (MOU) formally recognizes that **Southern University at Shreveport, Louisiana (SUSLA)** and **Grambling State University (GSU)** are committed to providing educational opportunities and services for students transferring between these institutions. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat courses they have successfully completed at SUSLA and are listed as equivalent to those at GSU.

SUSLA and GSU enter into this MOU in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning. Each institution, furthermore, is dedicated to serving students from all walks of life, regardless of race, ethnicity, religion, sex, disability, color, age, marital status, national origin or other non-merit factors.

Purpose

The purpose of the agreement is to enable SUSLA students who transfer to GSU to carry with them the credit hours they have earned that are required as course of study at GSU. The MOU provides a structure through which transfer articulation on all levels can be supported. The agreement establishes a program through which SUSLA students who have obtained the Associate of Applied Science degree in Business may transfer to the Business program at GSU and pursue the Bachelor of Science degree in Business. Because the program at SUSLA in Business is extensive, this transfer articulation is a modified 2+2 inverted program. Essentially, the transfers from SUSLA must complete an additional sixty (60) of GSU General Education courses and upper division courses in the selected Business discipline.

Transfer Elements

This MOU establishes the principle that the Associate of Science degree in Business Administration at Southern University at Shreveport, Louisiana, transfers to GSU as herein set forth in the following paragraphs. Only grades of "C" or higher will be accepted for transfer credit.

The GSU curriculum in the selected Business discipline consists of a 120-hour curriculum that includes general education and upper division courses for the Bachelor of Science degrees in the selected Business disciplines of Accounting, Management, and Management with a Concentration in Hospitality Tourism Management. The SUSLA student who transfers with the Associate of Science degree in Business Administration will have satisfied approximately sixty hours of the 120-hour curriculum in the selected Business disciplines.

The SUSLA courses and their GSU equivalents are specified below:

Total Number of Transferable Credits

The maximum number of transfer credits that can be accepted and applied toward degree completion is sixty-eight semester hours.

Joint Obligations

SUSLA and GSU agree to provide direct links between their institutional Web sites, indicating the existence of this Agreement.

Articulation involving other programs may be developed. Information on such agreements will be made available at both institutions in a timely manner.

No transfer articulation materials developed by either institution are valid without a MOU signed by the SUSLA Chancellor and GSU President.

SUSLA and GSU agree to exchange data and documents as agreed that will contribute to the maintenance and improvement of these transfer arrangements, and promote effective cooperation between the two institutions. The institutions will exchange admissions, grades, and retention data after obtaining appropriate permission from the students involved and in compliance with all federal, state, and local laws.

Evaluation

There will be an annual evaluation process of the partnership supported by this MOU. The information obtained from this evaluation will be used to improve the transfer process for the benefit of students.

Longevity of the Agreement

This MOU is in perpetuity or until it is discontinued by either educational partner by submitting written notification to the other partner one year prior to the identified cancellation date in order to protect all students transferring between SUSLA and GSU.
