

R.O.A.R

Ready for Orientation Advising and Registration

ROAR is a new student orientation program designed to help students make a smooth transition into life at Grambling State University.

New Student Orientation is for all incoming freshman and transfer students. It will be held in two separate parts, an online session and a face-to-face-session. In order to receive the Registration information, a student must have completed the following:

- Submitted all documents to the Admissions Office
- Immunization records submitted to the Health Center
- Housing Assignment secured for Summer/Fall 2021

Students meeting all of these requirements will receive an email on April 16 containing the information they will need to register for the online orientation session. We look forward to having you join the #GramFam.

Questions? Contact Us.
