

**Office of the President**

Dear Alumni and Friends:

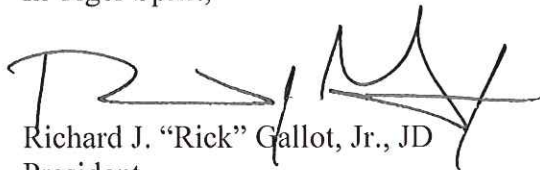

Welcome and thank you for visiting the Grambling University Foundation, Inc. website. I hope that the information you find here will inspire you to join us in supporting the cause that is Grambling State University (GSU). The Grambling University Foundation has supported the university, its mission, and its students by carefully stewarding and prudently investing your gifts of support.

I appreciate the stellar efforts of the Grambling University Foundation and its Board of Directors. Their leadership and philanthropic support has been nothing short of amazing. Each year over a thousand alumni and friends, along with our corporate and foundation partners, provide significant support in so many ways to our great university through the Grambling University Foundation. Some gifts create endowments that provide scholarships through the earnings, while in other cases donations are given to annually fund specific scholarships, endowed professorships, and provide GAP funds for our students. This level of support is indicative of the strong loyalty, passion and commitment that so many alumni and friends have for GSU.

Grambling State University's legacy of making an excellent college education available to all must continue. Your interest in the mission of the Grambling University Foundation and your understanding of the need for private support will help in that effort.

We look forward to working in partnership with you as we continue this momentum to transform lives and improve our university.

In Tiger Spirit,

Richard J. "Rick" Gallot, Jr., JD  
President
