

ATTENTION: ALL STUDENTS

YOU TALK!

WE LISTEN!

YOUR VOICE

MATTERS!

Grambling State University has selected to participate in the Student Satisfaction Inventory Survey (SSI). The SSI survey allows our students to share their perceptions about what is and what's not working on our campus.

Your feedback provides us with insight about experiences at Grambling State University. Your responses will help the leadership of Grambling State University prioritize areas of response.

The link for the survey has been sent to your Personal & GSU email
