Students may be eligible for tax credits to help meet the cost of college education. As required by the IRS, Grambling State University will prepare a 1098-T tax form to help students claim the tax credits. The form will be available to currently enrolled students online via Banner Web by January 31, 2024. The social security number (SSN) or tax identification number (TIN) is required by the IRS for verification of the SSN/TIN as well as to ensure accuracy of the SSN/TIN. **We must RECEIVE the completed W-9s by December 15, 2023.**

Information about educational tax credits is available through the Internal Revenue Service (IRS Publication 970). According to the IRS, failure to furnish a correct SSN or TIN, person(s) may be subject to a \$50 penalty by the IRS unless the failure is due to reasonable cause and not willful neglect (Title 26 IRS section 6723).
